REALTORS®:

If you are a licensed REALTOR®, you can start building your listing by registering for a FREE phil-estate.com Account....Register for a FREE account now!

Property Sellers:

You may add your property to the Phil-estate.com list by contacting one of the licensed REALTORS® advertised on the website.

Phil-estate.com provides you with a list of Licensed REALTORS®. You may run through the list and compare their background, commission rates and more. It's suggested that you select a REALTOR® from your location.

After making your selection, you can contact the REALTOR® via the contact methods listed in his/her profile and he/she will take it from there.

The REALTOR® you have contacted will then proceed to acquire from you all the information necessary to post an effective Ad on Phil-estate.

IMPORTANT SELLER NOTICE:

You cannot advertise or "list" your property AD directly on phil-estate.com without a Licensed REALTOR®.

Phil-estate.com does not work directly with any real estate buyers or sellers. This website is meant as advertising service for real estate professionals and is not involved in any real estate sales activities.

You must contact any of the REALTORS® who are members of Phil-estate.com to list your property AD. Only then can your property be listed on Phil-estate.com and may be viewed by potential buyers.

Phil-estate.com does not receive any real estate commissions or referral fees before, during or after any resulting transactions.

Phil-estate.com is an independently owned and operated advertising service and is not affiliated with any REALTOR® Board owned and controlled MLS Multiple Listing Services.
